A program designed specifically for cutting-edge business firms serving the aging services field.

LeadingAge DC

LeadingAge DC is the District's premier association and touches the lives of thousands of individuals, families, employees, and volunteers every day. With a strong membership base that includes senior housing, assisted living, skilled nursing, continuing care communities, and home and community-based services such as adult day treatment and hospice throughout Washington, DC we can connect you with your ideal audience—senior management and decision makers. LeadingAge DC members are diverse, but share a common focus on person-directed care and being mission driven.

What is the LeadingAge DC Partner Program

The Partner Program delivers a variety of strategies to position you as intellectual partners in the field of aging and helping providers continue to fulfill their mission and provide quality care for those they serve.

- **Partnership:** We highlight the expertise and intellectual capital of your organization as a gateway to open doors and build trust with providers. This approach creates a higher level of integration and will help you create partnerships.
- **Year-Long Brand Exposure and Differentiation:** We provide a year-long integrated approach that includes a variety of tactics month after month to help you create new relationships and secure existing ones.
- **Flexible to Meet Your Needs:** We have several plans to best fit your budget and organizational goals. We'll work with you to maximize your plan benefits.
